

THE SCEA MICRO-CREDENTIALS

Professional Development at your own pace

Only The SCEA offers relevant and meaningful professional learning opportunities that are approved by The South Carolina Department of Education (SCDE) for licensure renewal. These micro-credentials allow you to learn at your own pace remotely or at school.

School Districts can now grant renewal credits for these courses, which are **FREE** to members! SCDE recommends a minimum of **12** renewal credits per earned micro-credential.
